A new golf season is on the horizon as the days are getting longer and warmer weather is in the forecast. I can reliably say that because as we look back, this winter has been really cold for those of us who stayed in the Great North Country!

As the golf season approaches, as you may have heard or read, many people and especially families have taken up golf during the pandemic. It has been great to see families and groups of friends get out and play. As many of these players have bought or renewed Season Passes, there has been two recurring themes: 1) How much *FUN* they have been having; and 2) The *MEMORIES* they have made while playing golf at Emily Greens.

For many years Emily Greens has promoted our theme "**It is all about Fun on the Golf Course**". We have been living and promoting this for the past 5 years including in our advertising and in the clubhouse. We appreciate you choosing to spend time at Emily Greens and we work hard at making it a pleasant and welcoming experience. A little course knowledge at times. Getting your twosome to the teebox ahead of the foursome. We look for any little thing we can do to enhance your experience. Our job and focus is to help you have a great time. After all, that is what brings you to the golf course in the first place.

Making *Memories* is a major part of what we do. One recurring memory maker is when a family is coming off the course and I hear the parent (or grandparent) report 'My kid beat me for the first time' or 'My kid outdrove me for the first time'. It is fun to hear those reports and see the proud smile on the kid's face. When I hear those reports I can't help but to seize the moment to tell the adult to get used to it! Hearing about a players first par or first birdie; seeing 4 generations on the first tee for a fam-

ily outing; being asked to take a picture of the group after playing (sometimes I think I need to include photographer in the Emily Greens job description), those are all why we do what we do and some of the benefits of being in the golf business. At the end of your round, we may ask you about your **shot of the day** or your **best hole**. We want you to take a moment and reflect on the best memory you created for yourself on the course. It is those shots and those holes that brings everyone back to the golf course.

This is the 20th year Susan and I have spent operating Emily Greens and I can't tell you how much we and our staff look forward to each spring as those stories, those smiles, those shots and holes, and those photographs are what it is all about.

League Corner

• Leagues are open to players of all abilities. We hear from way too many people ‘I am not good enough to play in a league’ – Wrong – League scores come in a wide range from under bogey golf to over triple bogey golf – It is all about having fun with a group of friends or new friends. • Season Pass Holders pay only league fees. Otherwise, it is \$12/round, \$18 w/cart • All league fees are applied to payouts and prizes • No daytime league play July 4-8 • If you are new to league play, have questions, or want to sign up, contact EGGC. We answer the phone year-round • Handicap services will be available for only \$35

Women’s Leagues

Wednesday, 4:30pm on the Front 9: Fun and relaxed golf; Starts the first Wednesday in May. Season ending tournament in August.

Thursday, 9am on the Front 9: Get to know other golfers! Starts the first Thursday in May – very informal – just come and play.

Men’s Leagues

Tuesday, 8:30am on the Front 9: Get to know the guys! Starts the first Tuesday in May; season ending tournament in August

Tuesday, 10:30am on the Back 9: A fun scramble – play both Tuesday leagues or just one of them.

Tuesday, 5:30pm on the Back 9 – The Sunsetters: 2-person teams competing in match play from Memorial Day to Labor Day. Fun golf with an element of competition. Includes the working guys who can’t play during the day!

Wednesday, 8:30am on the Back 9 – The Sundowners: Same format as the Sunsetter’s League above. Starts after Memorial Day and **Thursdays, 3:00pm on the Front 9 for the Men:** Goes from opening day until the snow flies. Come when you can, throw a couple bucks in the pot, and draw a card to see who you play with and where you start. See if you can ‘ham ‘n egg’ your way to a low scramble score and get a piece of the action. Very informal – Very fun

Unlimited Spring Pass

Emily Greens is always one of the first courses in the area to open each spring, sometimes even in March. We offer an opportunity to play as much golf as you can play from the day we open through June 15th for one low price. Individual - \$99; Family - \$139. You can add a cart to your pass for only \$40. That is over 2 months of golf (sometimes almost 3) for only \$139 - \$179 which includes the cart! If you are interested in playing the rest of the year, these fees would apply to a full year membership. If you are not sure about a full Season Pass, this is a great way to try it out.

Golf Quotes

“I have a tip that can take five strokes off anyone’s golf game: it’s called an eraser.”

Surprisingly it was Arnold Palmer!! With that in mind, and in Emily Green’s commitment to helping everyone enjoy the game of golf – we are announcing that we will have erasers on our pencils for 2022 (provided the supply chain delivers)!!

“Golf is a game in which the ball lies poorly and the players well.”
Art Rosenbaum (you may need to read this one a couple of times)

“No one ever swung too slowly.”
Bobby Jones

“The object of golf is not just to win, It is to play like a gentleman, and win.”
Phil Mickelson.

This last quote is a perfect summation about golf at Emily Greens and it is from renowned instructor and author of one of the greatest golf instruction books of all time, Harvey Pennick: *“Go out and have fun. Golf is a game for everyone, not just the talented few.”*

The Pro Corner by Dan Loken, PGA 651-399-7874

For all of you who have taken lessons, are thinking about taking lessons, and especially those who have never taken a lesson before; I want you to know this about me: I do not teach golf to people, I teach people to play golf. I do not have a ‘best of’ swing position that you need to copy; and I can’t teach you to swing like Tiger Woods. My goal through teaching is very simple – We will take what you bring and make that work better. All golfers have your own way of thinking and your own set of limitations. A golf lesson will not change that. We will identify ‘that thing’ in your golf game, work on it, and you will get better. As spring approaches, I will be managing the clubhouse and very accessible throughout the golf season. I am looking forward to the 2022 season and renewing our friendships with our members and regular players.. It sounds like there will be a number of new members and I look forward to meeting you. Just a note to you all. Emily Greens has a number of leagues for both men and women. League play is not intimidating and it is a great way to help you to get out and play regularly, make new friends, and create some good times and memories on the golf course. THINK SPRING!!!!
